POLICY DEVELOPMENT

A *Raising Concerns and Complaints* policy and a revised *Camps and Excursions* have been drafted by the Education Sub-committee. It is important in our policy development to seek the opinion of members of our school community and a random sample of school parents will receive a policy for comment. If you do receive a draft policy, we would really appreciate your feedback. If you would like to comment on the draft policy and have not received one, copies are available at the office.

PRIMARY YEARS PROGRAM - UPDATE

Throughout this year our students have been focussing on some of the attributes of the Primary Years Program's (PYP) Learner Profile.

PYP Learner Profile - Caring, Inquirer, Thinker, Communicator, Risk-taker, Knowledgeable, Principled, Open-minded, Balanced and Reflective.

These elements are what we believe help make our students 'well-rounded'. The attributes are what a student is encouraged to demonstrate as a lifelong learner.

The whole school has concentrated on Caring, Risk-Taker, Thinker and Inquirer and to begin this term our focus is on being BALANCED. Students and teachers discuss and demonstrate the importance of physical, intellectual and emotional balance to achieve personal wellbeing for themselves and others.

News from the IRC

MINIMISE WASTE, RECYCLE MORE

All families should have received a copy of the council information on how to use your garbage, recycling and green waste bins correctly. With the support of this information my family more than halved the waste we put in our garbage bin (sent to landfill) last week. I hope your family finds this information useful too.

Attached to this information is also a family homework task asking families to record innovative ways they reduce, reuse and recycle their waste. Please return this information as soon as possible so we can collate the data in our IRC sessions.

Murrumbeena Kids' Cafe News

Hello all. We are well and truly into Term 4. Kids are getting disappointed that we keep running out of Anzacs and chocolate cake. If you could spare any time at all to prepare, if not cook, these items it would put a smile on your child's face.

The hot weather is visiting this week and I have lots of juice sticks freezing and the slushy machine slushing. We ran out on Friday but received an order on Monday. The fruit that's left over from Friday is quickly consumed on Monday and Wednesday. It is left on the counter for the children to help themselves. Thankyou to the lovely people who called in last Thursday and helped in the canteen, I have amended the term roster further with the option always open to add more names as we go.

**IF ANYONE COULD SPARE EVEN 20 MINUTES ON THIS WEDNESDAY
TO CHOOSE FROM A NUMBER OF SHORT TASKS TO HELP ME CATCH UP
I WOULD GREATLY APPRECIATE IT.**

Remember if you want to only serve at the window you may; it's open 10.55am to 11.20am and again 1.00pm to 1.30pm. Thursdays and Fridays are especially busy.

****NEED HELP ON THIS FRIDAY AFTERNOON, PLEASE****
