

Assembling the pizza

11. Spread the tomato onto the pizza base.
12. Then add the cooked leafy greens.
13. Drizzle with olive oil on top.

Don't put the cheese on yet, or it will burn

14. Put the pizza in the oven.
15. Set the timer for 10 minutes.
16. While it cooks, prepare the dough for the next team. Ask your teacher for the recipe.
17. When the timer goes off, stop what you are doing with the dough.
18. Take out the pizza and put on the cheese.
19. Put the pizza back into the oven.
20. Clean up your station. **Be quick; you have to clean your station before the cheese burns.** You have 5 minutes.
