

# Simple Chilli sauce

Would you change this recipe when you make it at home?

Equipment:	Ingredients
Measuring cups and spoons	1/4 cup red chili flakes
Jar with lid	1 Tbsp salt
Paper towel	1/3 cup olive oil
Serving dishes, serving spoon	1/2 cup vinegar

## Method:

### Remember to clean up your workstation as you go

1. **Read the whole recipe**, and discuss between you how you will work well as a team. Head Chef is Boss.
2. Put all ingredients into a screw top jar, and seal carefully.
3. Shake together until thoroughly combined.
4. Serve into dishes; 1 for each table.
5. Provide teaspoons for serving
